APPRECIATION BY DISTRICT ADMINISTRATION

CHAIRMAN & FOUNDER MESSAGE

I am delighted to share with you the inspiring journey of Siddhartha Compassion Trust, a solely charitable organization dedicated to making a positive impact in the lives of others. Since its establishment in March 2004, our trust has been driven by the vision of promoting education, healthcare, and social well-being.

Our story began in the beautiful village of Kendua in Bodhgaya, where we opened an elementary school with forty students under the guidance of a compassionate lady teacher. Recognizing the dire situation of many children in the area who were not attending school, my dear friend, Vietnamese Nun, and I decided to take action. In 2005, we received the school registration permit (Reg. IV/2021/05) from the Indian educational authorities, marking the official recognition of our efforts.

Today, I am proud to say that Siddhartha Compassion Trust has grown significantly. We now have three separate school buildings, providing education to 900 students and employing a dedicated team of 29 staff members across pre-primary, primary, high, and higher secondary classes. Additionally, we have expanded our services to include a Dental Clinic, Computer Class, Sewing classes, and a Physical Clinic. These facilities aim to cater to the needs of our students and the local community.

Our trust extends its charitable work beyond education. We have actively participated in the social sector by distributing essential materials such as blankets, donating rations, installing drinking water pump sets in various villages and local panchayats within Bodhgaya block. Through these initiatives, we strive to alleviate poverty and improve the lives of those in need.

Siddhartha Compassion Trust owes its success to the unwavering support of Vietnamese Buddhists and friends of the project. Their voluntary contributions have been the backbone of our organization, enabling us to advance global understanding, goodwill, and peace. With their help, we have made significant strides in promoting health, providing access to computer education, and supporting the educational aspirations of underprivileged children.

Looking back, I am incredibly grateful for the early support we received from Mata Ji, Bhushan Ji, and Vijay Kalyan. Their belief in our mission was instrumental in our initial growth. Cuc Thi Tran Mata Ji's inspiration has been a constant guiding light, and her tireless work serving the Indian people continues to inspire us all. I, myself, have been continuously dedicated to this cause since 2004, and I'm honored to have had the support of Thich Minh Hanh as the previous master, and the ongoing support of MR Tu Hung, International Vietnamese Buddhist and Special Thanks for Big Brother Ajay Singh Kalyan and Kalyan Family for Donated Land For First Build School

We are also deeply indebted to former President of India, Shri Ram Nath Kovind Sir, for taking the time to inaugurate our welfare center. Equally important has been the incredible support of the wife of Vietnam's president and an officer from Vietjet Airlines, who played a crucial role in inaugurating the Sewing center and computer training center. Their commitment to Sister Blue Lotus's organization since 2018 has been invaluable. Their support has extended to providing vital resources like hand pumps, food distribution, oxygen gas, masks, sanitizers, and even full uniforms for our school children. We are also grateful for their contribution to Starting the midday meal program.

Furthermore, I would like to express my sincere appreciation to Sister Crystal Lau from Malaysia, who generously donated a COVID-19 ambulance, food rations, oxygen cylinders, and supported the construction of public toilets. Thay Minh Quang's dedication to helping those in need has also been a blessing, with his contributions during COVID-19 food rations, oxygen machines, and hand pumps.

VIVEK KUMAR KALYAN

CHAIRMAN & FOUNDER

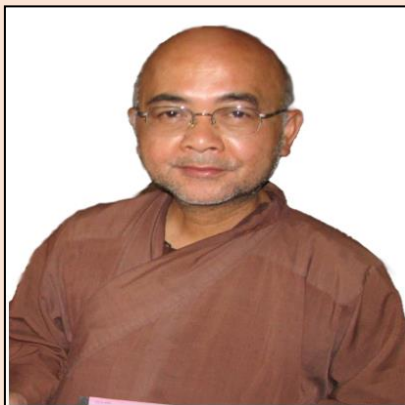

SIDDHARTHA COMPASSION TRUST

Finally, a heartfelt thank you to Mr. and Mrs. Yen Lang, Amy, Christine Huong, the dedicated school staff members, and Dr. Anand for their unwavering support. I would like to express my deepest gratitude to all the sponsors and friends who have supported our trust and contributed to the well-being of countless children. Your generosity and kindness have truly made a difference in their lives.

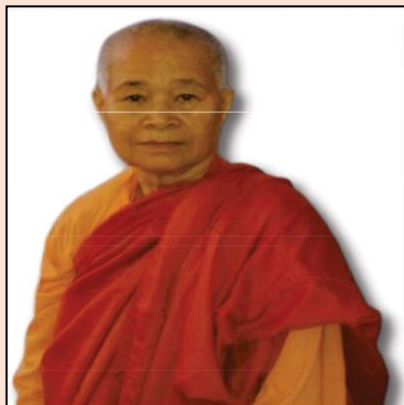

Finally, I would like to extend a heartfelt invitation to each and every one of you. I urge you to visit Bodhgaya, a place of immense significance to Buddhists worldwide. Bodh Gaya is where Gautama Buddha achieved enlightenment under the sacred Bodhi Tree. It stands as one of the four major pilgrimage sites associated with Buddha's life,

On behalf of Siddhartha Compassion Trust, I extend my warmest regards and thank you for your unwavering support. Together, let us continue to create a world of compassion, understanding, and peace

FREE MIDDLE & PRIMARY SCHOOL

Siddhartha Compassion Trust operates a primary and middle school focused on offering free education to children from underprivileged backgrounds. The school aims to provide a nurturing environment where students receive quality education and holistic development. Through this initiative, the NGO seeks to break the cycle of poverty by empowering young minds with knowledge and skills. Their mission is to create equal opportunities for all, ensuring a brighter and more promising future for disadvantaged children.

WOMEN EMPOWERED THROUGH DISTRIBUTION OF SEWING MACHINE

Sewing Machines
Distribution to
helpless women.
The aim of this
project is to help
poor women so
that they can be
independent by
Tailoring

Siddhartha Compassion Trust supports women's empowerment by offering free sewing training centers. These centers equip women with valuable tailoring skills, enabling them to become financially independent. By fostering entrepreneurship and self-reliance, the trust helps women improve their livelihoods. This initiative creates opportunities for a better future and strengthens communities through economic empowerment.

**JOIN SIDDHARTHA COMPASSION
TRUST & SISTER BLUE LOTUS
HAND PUMP DONATION
PROJECT
DISTRICT OF RAXUAL (NEPAL
BORDER), MUZAFFARPUR,
VAISHALI, SITAMARHI, GAYA,**

Siddhartha Compassion Trust has been on a compassionate mission since its inception in 2004, dedicated to alleviating the plight of those in need, especially in regions where access to clean water remains a critical challenge. In remote rural areas and even in Naxal-affected regions, where water scarcity has long been a stark reality, the trust has undertaken an admirable endeavor. With unwavering determination, it has initiated the Handpump Donation Project, installing hundreds of handpumps in these underserved areas.

These handpumps serve as lifelines, providing a fundamental resource that is often taken for granted - clean, safe drinking water. The impact of this initiative extends beyond quenching thirst; it resonates with the trust's commitment to fostering compassion and improving lives. Access to clean water not only ensures better health but also empowers these communities by liberating them from the arduous task of traveling long distances to fetch water from unreliable sources.

Siddhartha Compassion Trust's Handpump Donation Project is a testament to the transformative power of compassion and a shining example of how a dedicated organization can make a lasting difference in the lives of the marginalized. As the trust continues its mission, it invites individuals and organizations to join hands in this noble cause, helping to bring the gift of water and hope to those who need it most.

Join Siddhartha Compassion Trust's Noble Rickshaw Donation Project

Siddhartha Compassion Trust, a beacon of hope and change, has embarked on a transformative journey with its noble initiative - the Rickshaw Donation Project. In a remarkable display of empathy and social responsibility, the trust has extended its support to individuals who were once incarcerated for their involvement in the production of alcohol during the prohibition of liquor.

Recognizing the need to reintegrate them into society with meaningful livelihood opportunities, the trust has undertaken the task of distributing rickshaws, offering a fresh start through dignified employment. The project's focal event, graced by esteemed guests including the District Magistrate, Minister, Superintendent of Police, Additional District Magistrate, Member of Legislative Assembly, and revered Vietnamese Buddhist monks, exemplified the unity of purpose. This initiative not only underscores Siddhartha Compassion Trust commitment to societal welfare but also highlights the collaborative efforts of the community towards a more inclusive and compassionate society.

For more information on this and other initiatives, please visit www.sctbodhgaya.org

Join Siddhartha Compassion Trust's Toilet Distribution Project

Siddhartha Compassion Trust's commitment to holistic community development takes a groundbreaking step with its innovative Toilet Donation Project. In a village where the production of alcohol has been banned, a pivotal initiative has been undertaken - the construction of sanitary facilities exclusively for women. This transformative endeavor was inaugurated by esteemed dignitaries, including the Sarpanch (village head), District Magistrate, and Trust Chairman, along with the blessings of the local Buddhist community.

This initiative transcends mere infrastructure development; it is a symbol of dignity and empowerment for the women in the village of Saasand. The provision of safe and private sanitation facilities not only ensures hygiene and health but also fosters a sense of self-respect and safety. The absence of alcohol production in the village is a testament to the community's dedication to positive change and growth.

Siddhartha Compassion Trust, through its Toilet Donation Project, continues to be a beacon of hope, championing gender equality, sanitation, and responsible community development. This initiative stands as a testament to the Trust's unwavering commitment to transforming lives and fostering compassion within the communities it serves."

Organizing regular free Medical camps E- Rickshaw and Ambulance Services on occasion of Pitru paksha mela and Buddha Jyanti

Welcome to the compassionate world of Siddhartha Compassion Trust! In a heartfelt endeavor to serve the community, we proudly organize a free healthcare camp, providing pilgrims, students from Siddhartha Compassion School, differently abled people and other can with complimentary dental, eye, and various other checkups. Join us as we prioritize the well-being of all, fostering a healthier and happier society.

"Every year, on the occasion of Buddha Jayanti, and Pitru paksha Mela Siddhartha Compassion Trust, with the support of Vietnamese Buddhist collaborators, organizes a three-day event of free meals, medical check-ups, Free E-Rikshaw Service and distribution of medicines for devoted Buddhists who visit from different states. This initiative embodies the spirit of compassion and serves as a testament to the Trust's commitment to serving the community. This gesture reflects the core values of Siddhartha Compassion Trust, as it continues to extend its outreach in meaningful ways, creating a positive impact on the lives of those it serves."

FREE OXYGEN TANK AND REFILLS FOR COVID-19 PATIENTS

During the COVID-19 pandemic, the Siddhartha Compassion Trust provided free oxygen and tank filling services to those in need. This initiative helped support struggling patients and overwhelmed healthcare systems. The trust's timely efforts saved lives and brought relief to affected families. Their compassionate service demonstrated solidarity and care for the community during a critical time.

During the COVID-19 crisis, food ration distribution efforts were carried out in Delhi, Kolkata, and Bihar to support vulnerable populations. Essential supplies, including grains and other staples, were provided to families facing economic hardships. Local organizations and volunteers ensured that these distributions reached those most affected by the pandemic. These initiatives were crucial in alleviating hunger and sustaining communities during the challenging lockdown periods.

FOOD AND MASK DISTRIBUTION

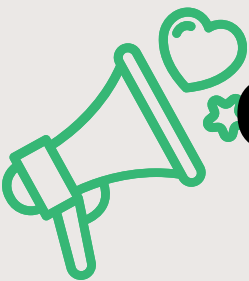

AWARENESS PROGRAM

Awareness program organized by Siddhartha Compassion Trust for various social measures

"Join us on a journey of compassion and change! Siddhartha Compassion Trust presents an empowering awareness program, dedicated to fostering social measures that uplift communities and ignite positive transformations. Together, let's create a brighter future for all."

"Building Bridges of Compassion: We strive to ignite change and make a difference in society through various impactful social measures. Together, let's create a better world filled with love, understanding, and compassion."

CENTRAL JAIL AWARENESS PROGRAM

Siddhartha Compassion Trust has taken significant strides in fostering positive social change through a series of impactful awareness programs. With a vision to create a more compassionate and progressive society, we initiated a campaign to ban alcohol, recognizing its detrimental effects on individuals and families. Moreover,

we prioritized the importance of vaccination, ensuring that communities are protected against preventable diseases. To preserve our environment and combat climate change, the trust actively engaged in tree plantation initiatives, striving to leave a greener footprint for future generations.

Addressing deep-rooted social issues, Siddhartha Compassion Trust firmly stood against the dowry system and child marriage practices, advocating for equal and healthy relationships in families. We also took a stand against the growing menace of plastic pollution by implementing a comprehensive plastic ban, promoting sustainable alternatives for a cleaner environment.

embracing inclusivity and empowerment, our efforts extended towards uplifting women and children, providing them with opportunities to thrive and grow. Through these diverse awareness programs, the trust aims to inspire individuals to join hands in building a better world filled with love, understanding, and compassion, fostering a brighter future for all.

TREE PLANTATION

Join us in this mission for a greener tomorrow!

We believe that planting trees is one of the most profound acts of kindness we can offer to the Earth and future generations. Trees are not just a source of oxygen; they are life-givers that nourish the soil, provide shelter to countless species, and help combat climate change. By participating in our tree plantation drives, you are contributing to a greener, healthier planet. Let us all come together and plant trees, spreading the message of compassion for nature and leaving behind a legacy of environmental stewardship for those who follow. Every tree planted is a step toward a brighter, sustainable future. Join us in this mission for a greener tomorrow!
